SelectBag Citrate

ACETATE-FREE CONCENTRATE

SELECTBAG CITRATE

SelectBag Citrate is an acetate-free concentrate with all the beneficial properties of citrate.

With the BiCart Select Citrate system it is easy to optimize the dialysis fluid composition.

Sodium and bicarbonate levels are accurately controlled to your settings while the **SelectBag Citrate** concentrate allows you to easily vary potassium, calcium and glucose.

Clinical Advantages of Citrate-containing acetate-free dialysis fluid:

- Improved hemodynamic stability*^{1,2,3}
- Improved control of acid-base balance*^{3,4}
- Decreased thrombogenicity*^{5,6,7}

* Disclaimer: compared to concentrate containing acetate

BICART SELECT CITRATE SYSTEM SPECIFICATIONS

SPECIFICATIONS	SELECTBAG ONE CONTAINER	BICART SELECT COMBI-PAK
Intended use	The SelectBag Citrate product is intended to be used as citric acid based concentrate together with the BiCart cartridge and the SelectCart cartridge. The SelectBag citrate product is intended to be used for on-line preparation of hemodialysis, hemodiafiltration and hemofiltration fluids on compatible Gambro dialysis systems.	The BiCart and SelectCart products are intended for preparation of hemodialysis solutions and, when used on compatible Gambro dialysis systems, hemodiafiltration and hemofiltration substitution fluids. The BiCart and SelectCart products must always be used together with a suitable A-component concentrate.
Content	1 L of acid-based concentrate to be diluted	BiCart cartridge: 720g of NaHCO ₃ SelectCart cartridge: 1200 g NaCl
Dilution Ratio	1:200	
Volume of Dialysis fluids when mixed	200 L	190 L at Na ⁺ /HCO ₃ setting 140/34
Duration time at Q _d of 500 ml/min	6H40	BiCart cartridge: 6H45 SelectCart cartridge: 6H15
Container Material	Low density polyethylene (LDPE)	Polyolefin medical grade
Packaging	Cardboard box with 6 bags	Cardboard box with 8 cartridges
Box size	H 320 mm x L 258 mm x W 182 mm	H 298 mm x L 198 mm x W 322 mm
Box weight	Approximately 7 kg	Approximately 9 kg
Quantity per pallet	300 bags	384 Cartridges
Shelf life	24 months	24 months
Storage condition	Store between +4°C and +30°C	Store below +40°C
